

K6 Youth Sports Basketball League

K6 Sports offers the most unique concept in youth sports in Southwest Florida.

More children than ever play youth sports; however, simultaneously, there are still children who are deprived of the appropriate youth sports opportunities or instruction.

At K6 Sports, each child can learn many of the techniques needed to be successful in a sport without having to be on an expensive travel team. In addition, our program is adjusted to the age and ability of the players to ensure that the highly skilled athlete will get challenged and the novice will have the opportunity for success.

Although all children who participate in K6 Sports Programs will receive progression based instruction in skills, drills and competition. The biggest benefit of the program is the enhancement of the social, moral and emotional development of each child.

PARENTS/GUARDIANS:

This season, we are looking for parents/guardians who are willing to bring their expertise and assist our basketball coaches. If you are interested, please contact Juliana Santucci at 239-398-0535.

Managed by Coach Chris Scanlan and Juliana Santucci, our K6 Basketball league provides our participants the opportunity of being coached by a combination of certified youth professionals, parents that are passionate about youth sports, and volunteers all dedicated to teaching and coaching the game in carefully planned progressions. This year we are bringing back many of the fan favorites! Coach Chase Beatty, who made an appearance at the State Final Four while playing for CSN is bringing his 9 years of experience to the league. Coach Matt Gilbert, who has been a favorite among players and parents, is returning to provide his skill and expertise. Coach Chris Scanlan played collegiately for Ave Maria University and Coach Chris Pallant also played collegiately as well as semi-professionally. In keeping with Sports CLUB's mission, our entire coaching staff is committed to providing the highest quality program for your child.
