Dear Sports Club Scholarship Parents,

Due to the changes we are all incurring during this pandemic, it is our regret to inform you that we will be suspending all Sports CLUB scholarships until January 2021. We strongly encourage you to apply now to the Early Learning Coalition of Southwest Florida where you may qualify for reduced after school payments based on your financial needs. We accept ELC recipients at all of our CCPS sites as well as the Sports CLUB Center located at 3275 Pine Ridge Road. As soon as we are able, hopefully by January, we will have our Sports Club Scholarship program up and running. To contact the Early Learning Coalition call them at 239-213-1137.

Sincerely,

Lane Beatty  
President, Sports CLUB
