

K6 Youth Sports Basketball League

K6 Sports offers the most unique concept in youth sports in Southwest Florida. More children than ever play youth sports; however, simultaneously, there are still children who are deprived of the appropriate youth sports opportunities or instruction. This league is designed to develop player's skills, teamwork, and sportsmanship. At K6 Sports, each child can learn many of the techniques needed to be successful in a sport without having to be on an expensive travel team. In addition, our program is adjusted to the age and ability of the players to ensure that the highly skilled athlete will get challenged and the novice will have the opportunity for success.

Although all children who participate in K6 Sports Programs will receive progression based instruction in skills, drills and competition, the most valuable benefit of the program is the enhancement of the social, moral and emotional development of each child.

Medals will be given to the championship runner-up team and trophies to the championship team.
